1. I have given you the land. I have given you the tower. I have given you towers and towers; towers of strength; towers of me; representing me; being me; all in a multitude of ways; form and fashion of only me.
I love you, and I give you me.

2. Think it not strange who walks in your door next week.
I love you. I give you me.

3. Think it not strange how I connect, and sever, and connect; and how I sew; and how I sinew; and how I bring people into people's paths for my purposes, yea, for their freedom.

4. I love you, and I give you me; whole heartedly; with excitement, joy, and laughter; and all you need for my purposes.
Good day.
